

23 March 2020

Closure Due To Covid-19

After careful consideration it is with great regret that the Village Hall is now closed for normal use until further notice.

In recent Government statements on the Covid-19 pandemic, indoor leisure and sports facilities are asked to close for the safety of the public and our hall can be seen to come under that ruling.

Let us hope that we can return to our usual service to the community in the near future. Thank you for your patience during this very difficult and ever-changing time.

With kind regards and our best wishes,

**The trustees,
Broadhempston Village Hall
& Playing Field Trust CIO**
